Profile of Burning Plate

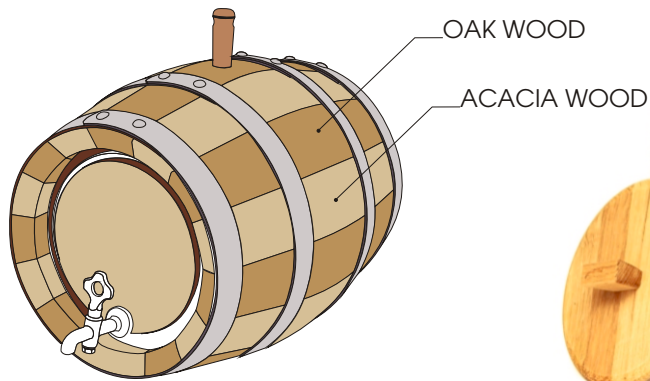

In Price Table ... the first Burning Plate is include Branding Iron. You can purchase also extra Burning Plates (£15), but I do not recommend to change burning plates on daily bases. It is great solution when you changing logo resp. graphic for longer time period.

Engraving of burning plates is not include Branding Iron and Burning Plates. This is custom price where price range is from £40 - £70 (depend of complexity of engraving)

All prices are exclude VAT.
